

NEWSTUFF

■ **Spot's Stew Dry Formula** is the new kibble version of Halo Purely for Pet's natural canned dog food. Available in puppy and adult formulas, and Whole-some Chicken and Wild Salmon flavors, Spot's Stew dry kibble is made with whole meats, whole grains, and vegetables, plus amino acids for heart and eye health. This product does not contain byproducts, rendered meats, or meals, and is 95 percent digestible, according to the manufacturer.

■ 10.99 to \$36.99 (4- to 18-pound bags), from Halo Purely for Pets; 800-426-4256; www.halo.com

PAWTURNER

■ **The Whole Dog Journal Handbook of Dog and Puppy Care and Training** (Lyons Press, \$19.95), by Nancy Kerns, features up-to-date

information from the monthly publication of the same name on a variety of holistic care and positive training topics.

From information about treatments like chiropractic care, herbal remedies, massage, acupuncture, and homeopathy, to reward-based training tips, this easy-to-read book offers expert advice on many aspects of dog care.
